

Barrel District Weekly Update

COUNCILMEMBER **BART TURNER**

Glendale's Barrel District

September 16, 2016

Greetings!

Here are a couple of events I think you will enjoy:

The Velma Teague Branch Library is hosting **"Express Yourself: Youth Art Makerlab"** on **Saturday, September 17**, from **1-3 p.m.** Kids of all ages can come to the library and make some art! Stop by and make something unique to take home. All supplies are provided registration is not required.

Enjoy **Jeordie & The Mixology Project** as they rock the house with a blend of modern pop themes and folk rock guitar. The concert is free to the public and is scheduled for **Saturday, September 17th** at **6:30 p.m.** in Westgate's Fountain Park. For details, visit reverbNation.com.

Have a safe and enjoyable weekend!

Councilmember Bart Turner

"Be Safe: the Movie." The City of Glendale and Autism Society of Greater Phoenix are

City Council Update

On Tuesday, the City Council canvassed the vote for the recent City election. I congratulate Mayor Jerry Weiers, Vice Mayor Ian Hugh, and Councilmember Ray Malnar on their re-elections. I also congratulate Joyce Clark, who will be returning to the Council representing the Yucca District after a four-year absence.

Prior to approving the canvass, I and other councilmembers expressed concerns about what we feel is a lack of intentionality on behalf of the County Elections Department to inform our City Clerk of election-day events – including the late opening of at least one polling place and a poll data memory pack which was missing for about twelve hours after the polls closed.

Additionally, I raised concerns about 16,212 Glendale voters who are on the Permanent

sponsoring "Be Safe: the Movie" to show teens and adults with disabilities how to interact with first responders in everyday encounters. The film will be viewed at the **Foothills Branch Library** on **Monday, September 19**, from **6:30-8 p.m.** The event is free to the public and does not require an RSVP.

Glendale Council Race Election Results Confirmed. The Glendale City Council has adopted the official canvass of votes and confirmed city election results provided by the Maricopa County Elections Department. Glendale voters have elected a new councilmember and have re-elected the mayor and two other councilmembers.

Incumbents Mayor Jerry Weiers, Vice Mayor Ian Hugh of the Cactus District and Councilmember Ray Malnar of the Sahuaro District were all re-elected to four year terms. Joyce Clark has been elected to a four year term in the Yucca District.

The official installation of the city of Glendale's newest and returning councilmembers will be held Tuesday, Dec. 13 at 6 p.m. in the Glendale Council Chambers.

HOA Academy Provides Free Training & Helps Protect Neighborhoods. The city of Glendale is continuing to partner with Mulcahy Law Firm for another informative HOA Academy this fall. This unique opportunity provides Glendale residents and HOA community leaders a chance to learn about relevant issues they are facing in their neighborhoods and get answers from specialists in the field.

Helping build a knowledge base and pool of willing residents is the motivation behind this free HOA training series, which takes place **Tuesdays in October** from **1:00 p.m. to 2:30 p.m.**, at the **Glendale Adult Center, 5970 W. Brown St.**

Class Dates & Topics:

- Oct. 4th - Federal Laws Pertaining to Community Associations
- Oct. 11th - Code Enforcement & Collections
- Oct. 18th - Amending CC&Rs
- Oct. 25th - Safety, Crime and Working with

Early Voting List but were not mailed a ballot to vote in our city election.

If you have questions about any of these issues please feel free to contact me at bturner@glendaleaz.com or call me at 623-930-2249.

- Councilmember Turner

City Council Meetings

The next City Council meeting is a City Council Workshop scheduled for September 20.

Serve On A Glendale Board Or Commission

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short

the Police

Registration is open now. Early registration is encouraged as only a limited number of seats are available. To register, please contact Parks, Recreation & Neighborhood Services at **623-930-2820** or sign up online and use code # **474099-05**.

The classes are free to Glendale residents and \$20 for non-residents.

City Supports Fourth Annual Stand Up For Veterans September 24 At Glendale Community College. Glendale's fourth annual "Stand Up for Veterans" will be held at Glendale Community College, 6000 W. Olive Ave., on Sat., Sept. 24, from 8 a.m. to 1 p.m. Nearly 1,000 veterans have attended the community outreach event in its three-year history to utilize the many resources available. City of Glendale's municipal courts as well as the city's department of community services participate in the event.

A local committee representing city, state and federal agencies, local businesses and non-profit partners has begun planning Glendale's Stand Up for Veterans which will provide opportunities for veterans to gain employment on the spot and access to a wide array of services. Organizers are now accepting business, non-profit and government agency vendor applications.

**Glendale Pavement Management Program -
Overlay CONSTRUCTION Information.**

As part of Glendale's Pavement Management Program, the residential streets west of 55th Avenue to 57th Avenue; and south of Peoria Avenue to north of Mountain View Road, to include Cannon and Cochise Drives between 57th Avenue and 58th Avenue, are scheduled for a mill (removal of asphalt) and asphalt pavement overlay.

- **Scheduled to begin in mid-September for approximately two weeks, crews will mill (remove) the top layer of asphalt and apply a new asphalt surface to this area.** Following this work, crews will raise utilities to make them flush with the new road surface and apply striping.

Streets will remain open for travel during this work, but please expect delays. In the event the schedule needs to be adjusted, the dates may change but the sequence will remain the same. Work is currently scheduled to take place Monday through Friday.

As work crosses side streets and driveways, there will be brief periods (15-20 minutes) wherein access will be restricted; however, crews will work to expedite this activity to the extent possible.

On-street parking will not be permitted during this activity; however, residential services (sanitation and postal) should not be effected.

**Olive Avenue/59th Avenue Waterline
Improvements**

Crews have completed installation of waterline in the 59th Avenue/Olive Avenue intersection and are currently working to tie-in the newly installed waterline into the existing waterline and complete service connections in the area. These tie overs are currently taking place primarily during nighttime hours to minimize the impact to businesses

Glendale 11 YouTube
Channel

impacted by water service disruptions. Those impacted have already been notified of scheduled disruptions as part of this activity.

Currently scheduled to take place Wednesday (Sep 14) paving crews will pave back the areas where the remaining work is taking place. Following paving, crews will complete any necessary adjustments to valves in the roadway.

Scheduled to take place during nighttime hours the following Monday and Tuesday (Sep 19-20), crews will install "loop detectors" that trigger the traffic signals. To maintain travel through the intersection, this activity may be conducted in segments, so please be prepared for traffic control changes to shift traffic away from the construction activity. Also scheduled to take place the week of September 19th, crews will install a fire hydrant at approximately 59th Avenue and Mountain View Road.

Following this work, scheduled to begin in late September for approximately two weeks, crews will move to the intersection of 59th Avenue/Peoria Avenue to complete repairs to the waterline in this area.

Olive Avenue and 59th Avenue remain open for travel during this work; however, traffic is shifted away from the work zone and more than likely restricted to one lane in the direction work is taking place. Based on the work activity, it is expected that some or all left turns may not be permitted at the intersection or near the work zone to protect travelers and construction crews. To assist in managing traffic at the intersection, a law enforcement officer is on-site from approximately 6 a.m. to 7 p.m. weekdays; however, traffic control remains in place even during non-work hours to protect the work area and for the safety of travelers.

You will be notified 48 hours in advance of any planned disruption to your water service. Business and resident access will be maintained. This work in the 59th Avenue/Olive Avenue intersection is currently scheduled to be complete in late September.

Thank you for your continued patience during this work!

Please feel free to contact our project hotline at 602.532.6250 should you have questions or need information related to the project.
